You can download a free demo version of Kids Animation Maker right now. The unregistered demo version is fully functional. However, it paints a red X across your animation when you save it.

Download Kids Animation Maker for Apple Macintosh computers:

- [Kids Animation Maker 1.1](#)
- [Kids Animation Maker iEdition](#)

Did you purchase an older version? Then download the new demo version. It will be automatically registered. [Click here](#) if the download does not work. Be

System requirements

- Macintosh computer
- Mac OS System 7.1 or higher (7.6.1 or higher recommended)
- 4 MB free RAM
